

## READING NOTES 17

1. After you analyze the image on one placard, find the section of Chapter 17 that corresponds to the image.
2. Write the section title and corresponding placard letter in the appropriate box.
3. Read the section, writing notes in the matrix. List specific examples of the Mexicano contributions and tell why they were used by Anglo settlers.
4. Create a simple drawing or symbol to represent the contributions.
5. Continue until you have completed all nine placards and Sections 17.2–17.10.

Section Number and Title	Placard Letter	Examples of Mexicano Contributions	Why Contributions Were Used	Visual Symbol of Contributions
17.2				
17.3				
17.4

120 Lesson 17

- Show Mexicano contributions to the Southwest by annotating the map below. Follow these steps:
1. Create or find a visual symbol to represent each of the Mexicano contributions to the Southwest.
  2. Place your symbol near the geographic region(s) where the contribution was used.
  3. Annotate the map with one sentence identifying the contribution and describing its importance.
- One example has been done for you.
