Group:

MAP

- Create a visual mapping that follows the action of the story.
- Keep track of the setting throughout the assigned section of reading
 - You might/will have to keep track of the various movements of the different characters/groups of characters.
- Draw the assorted settings and label each.
- Create a labeled trail to depict the movement of the characters.
 - Each setting should be labeled with "what" it is as well as the chapter(s)/page(s) in the novel.
