BoDows-Cartoon.Blog.de Aug.09

# visionary

(*adj*) characterized by  
impractical ideas

# arsenal

A photograph of a room, likely a museum or a private collection, displaying a large number of firearms. The weapons are arranged in rows on a wooden rack mounted against a light-colored wall. The collection includes various types of rifles, shotguns, and handguns. To the left, there is a doorway leading to another room, which appears to be a workshop or storage area. On the right wall, there are some framed documents or posters. The floor is covered with a checkered tile pattern.

(*n*) a place where weapons & ammunition are stored
